

Narendra Modi and Japanese PM Shinzo Abe laid the foundation stone for India's First bullet Train project.

Sept 14, PM Modi described the ambitious Rs.1.10 lakh crore project, which would cut travel time between Mumbai and Ahmedabad from seven hours to less than three, as a “big gift from Japan to India”. Addressing the event in Ahmedabad, Abe said that India - Japan partnership was special, strategic and global.

Sushma Swaraj speech at U.N. General Assembly

Sept.23, External Affairs Minister Sushma Swaraj, addressed the 72nd session of United Nations General Assembly Session in New York. She lambasted Pakistan Prime Minister Shahid Khaqan Abbasi for claiming that human rights violations in areas of Jammu and Kashmir. Swaraj further said, "We are completely engaged in fighting poverty, but our neighbour Pakistan seems only engaged in fighting us. She ended her speech by reciting a verse that is a synthesis of thought:

May all be happy;
May all be healthy;
May all see what is good;
May all be free from suffering.

GST collection for August slips to Rs 90,669 crore

The government has collected Rs 90,669 crore in Goods and Services Tax for August, the second month of the indirect tax regime rollout. According to the revised estimate, the GST mop-up for July stood at Rs 94,063 crore, up from the initial projection of Rs 92,283 crore. "The total revenue of GST paid under different heads (up to September 25, 2017) is Rs 90,669 crore," an official statement said, adding these figures do not include GST paid by 10.24 lakh assesses who have opted for composition scheme.

Of this, as much as Rs 14,402 crore has come in from the Central GST (CGST), Rs 21,067 crore from State GST (SGST), Rs 47,377 crore from Integrated GST (IGST) and Rs 7,823 crore from compensation cess levied on demerit and luxury goods.

SBI cuts minimum average balance from 5,000 to Rs 3,000

Sept.25, SBI has lowered the average minimum balance requirement under its savings account for metro customers to Rs 3,000 from Rs 5,000 earlier following protests. The bank has also decided to do away with the minimum balance requirement for minors and pensioners and has reduced the penal charges.

In a statement issued here on Monday, SBI said that the bank has decided to treat metro and urban centres in the same category.

PV Sindhu wins Korea Open Super Series title

Sept.17, PV Sindhu became the first Indian badminton player to lift the title in Korea after she beat Nozomi Okuhara in the women's singles final at Korea Open Superseries in Seoul on Sunday. This was her third Super Series title and second this year. In a rematch of the World Championships final which was won by Okuhara, Sindhu avenged her loss from Glasgow and won the Korea Open Superseries final 22-20 11-21 21-18 and claimed the title.

Indians add 2 gold, 1 silver in Asian Indoor Games

IMAGE: PU Chitra clinched gold in women's 1500m race.

Sept.19, India's impressive show in the 5th Asian Indoor and Martial Arts Games continued as their athletes added two gold and one bronze on the fourth day of competitions, in Ashgabat.

Govindan Lakshmanan and PU Chitra clinched a gold each in men's 5000m and women's 1500m races while Dharmender won the bronze in men's freestyle 70kg belt wrestling as India's medal count swelled to 3 gold, 2 silver and 2 bronze.

India thrashed Australia by seven wickets to clinch the **series 4-1**.

HIGHLIGHTS

ISRO-NASA joint team confirms presence of aerosol over Asia

- Satellite images had earlier showed the presence of an aerosol layer over the Asia region.
- A joint study by ISRO and NASA has confirmed this.
- The study also found the presence of nitrate.

20thSept, BENGALURU: A joint study by the Indian Space Research Organisation (ISRO) and National Aeronautics and Space Administration (NASA) of the US, which had commenced after satellite images showed the presence of an aerosol layer over the Asia region, has confirmed the same and has also found the presence of nitrate, which is a new finding.

The cuteebee in the sea

I have heard of a cutee bee,
You know it lives in the sea.
Do bees really live in the sea?
Hmm..... maybe it knows how to,
Swim in the sea like me.
Oh! you don't know something,
That how much struggling,
It is to be inside the sea.
But our bee swims with glee,
Though Bee doesn't hum loud,
But her bite makes us shout.
I think now I should stop a,
Now it is on the flowers to hop.

THANK YOU TEACHER

Thank you, my teachers for being there,
At times when the skies were grey,
Thank you, my teachers for lending me ear.
When I had been striving sadly,
You showered your love on me lavishly.
When I had no one to hear,
Oh my teachers you made my doubts clear.
You made me move on happily,
Else I would have to struggle lonely.
My life would have been different,
If you had not been there,
I always thank God,
For bestowing me teachers like you.
